

## BRAQCON 2019

BRAQCON 2019 will be a unique platform for deliberating current topics in brackishwater ecosystem and sustainable aquaculture. The scientific programme is conceived with a set of invited papers, oral presentations and poster sessions in each of the thematic areas; all in the premise of the Main Hall. There are no parallel sessions arranged for the Thematic Programmes, to maximise the audience and disseminate the scientific contents to the audience. Hence, oral presentations will be limited in numbers and the majority of the presentations will be under Poster Sessions. **BRAQCON 2019 considers ORAL and POSTER presentations are of equal weightage.**

### Guidelines for ORAL Presentation

- Oral presentations will be limited in numbers and the communications have already been sent.
- All presenters are advised to **restrict to the time (5-6 min)** with brief and effective presentations (not more than **10-12 power point slides**).
- The presenters may highlight objectives, methods and salient findings of the study rather than elaborative introduction part.
- The power point presentation can be sent to [braqcon@gmail.com](mailto:braqcon@gmail.com) as an email attachment **on or before 20<sup>th</sup> January 2019**. In case there is any issue related to file size, participants may send the ftp links of google drive, drop box etc.
- **Five BEST ORAL PRESENTATIONS will be selected by a scientific evaluation committee and awarded a cash prize of Rs. 10,000 and a citation.** Kindly note that the selection for ORAL presentation is conditional in nature and it will be confirmed only after your registration is complete.
